

SONAM TSHERING

BLOCKCHAIN DEVELOPER

PROFILE

A motivated and hardworking professional with a strong foundation in programming languages and a passion for full-stack web development and blockchain technology. I am committed to continuously advancing my skills in software development while also nurturing my talent in singing. My goal is to contribute to innovative and impactful projects that blend creativity with technical expertise, utilizing my ability to build robust and scalable applications. I am eager to take on challenging roles that allow me to grow both professionally and personally, while delivering exceptional results.

WORK EXPERIENCE

Assistant Crew Leader, Rover Club Gyalpozhing College of Information Technology 2023-2024

- Volunteered in campus clean-up activities, including litter collection and environmental maintenance.
- Managed and ensured cleanliness in designated areas, contributing to a well-maintained campus environment.

Event Manager, Tarayana Club 2022 - Present

- overseeing the planning, organization, and execution of various club events.
- Developed comprehensive action plans for events, ensuring smooth coordination and timely completion of tasks.
- Created and managed events related to the club's mission, promoting social welfare and community development.

Frontend Developer February 2022 - June 2022

- Collaborated with a team to create and implement design concepts, ensuring a seamless user experience.
- Presented design ideas and project updates to stakeholders, clearly communicating progress and plans.
- Developed and coded the frontend by meticulously following design guidelines, resulting in visually appealing and functional interfaces.

Branding framework

1. Positive Personal traits

- Hardworking
- Disciplined
- Loyal
- Honorable
- Honest
- Flexible
- Compassionate
- Determined
- Empathic
- Sociable

2.Choose Two

- Empathic
- Sociable

3.Think of way to market it(promote)

Primary Font:

- Poppins Light: Modern, clean, and approachable. Poppins Light is a sans serif font known for its geometric style and friendly appearance. It reflects a sociable and contemporary personality.

Secondary Font:

- Serif Font (e.g., Merriweather or Georgia): Classic and warm, serif fonts add empathy and depth, offering a touch of seriousness and thoughtfulness to your communication.

4.Colors:

- Soft Blue : Represents trust, calmness, and approachability
- Orange : Reflects warmth, positivity, and friendliness, enhancing the sociable aspect.

5.Tone:

- Friendly and Conversational: The tone should be relaxed, open, and inviting, encouraging dialogue and making others feel comfortable.
- Warm and Supportive: Balance the friendliness with warmth and a supportive attitude, making the audience feel understood and cared for.

6.Voice:

- Inclusive and Open: Use inclusive language that welcomes everyone. Speak in a way that's relatable and makes others feel part of the conversation.
- Compassionate and Understanding: Express genuine care and understanding in your words, showing that you are attuned to others' needs and emotions.

7.Logo:
